Subject: Offer Letter for Junior Software Programmer

Dated: 21st September 2023

Mr. Harsh Sawant,

We are pleased to offer you a position in our organization End Point IT Services Private Limited as **"Junior Software Programmer",** This offer takes effect from your date of joining from **21st September 2023.**

We would request you report at the following address, Unit #9, First Floor, Vicino (Mega Mall), Oshiwara, Andheri West, Mumbai which is our Corporate Office. However as and when required, you may be transferred to any of the offices in India or abroad.

Your compensation package would be as in Annexure A (attached herewith). However, the structure of your compensation plan may be altered / changed from time to time in line with the Compensation policy and practices of the Organization. Company Policies would be as in Annexure B (attached herewith)

As per organization policy, the probation period applicable to you shall be 90 Days. You would be posted at the above address till we shift into our permanent address. However as and when required, you may be transferred to any of the offices in India or abroad.

During probation, the period of notice required for resignation/termination of services is 15 days on either side (excluding End Point's official holidays). After probation, the period of notice required for resignation/termination of services is 60 Days (excluding End Point's official holidays)on either side. However, on mutual understanding and on either side the notice period can be waived off (full / partial) by paying the due compensation (Pro-rata CTC) to the other party.

As an employee of End Point IT Services Private Limited it is likely that you will work on confidentialand or proprietary information related to the operations, products and services of End Point IT Services Private Limited and its clients. To protect the interests of both End Point IT Private Limited and its clients, all employees are required to read and sign an Employment Agreement prior to the beginning of employment.

Exceptionally, End Point reserves the right to terminate your employment by giving 7 days' notice to you in case of "non-performance" during the term of your employment. In such conditions 7 Days of Compensation would be paid by End Point to you.

- Employees are expected to be present for work every day.
- Employees should adhere to call-in procedures and provide an acceptable reason for their absence or tardiness.
- Employees should request exceptions for work absences from HR and their direct management. The procedure for requesting sick leaves is covered here.
- Any absence from work not approved by a supervisor is considered to be unexcused and is subject to disciplinary action.

GENERAL COMPANY POLICY

- The in-time rule specifies that employees are expected to report to their designated work location by 10:30 AM
- Failure to do so without prior notification may result in consequences.
- If an employee arrives at work later than 10:30 AM, without prior notification, it will be considered late. Three such instances within a calendar month will be treated as a half-day leave deduction from the employee's leave balance.
- Employees working from home due to urgent tasks in the morning are exempted from the 11:00 AM in-time rule.
- Employees who worked late the previous day beyond 9:00 PM, are exempted from the 10:30 AM in-time rule on the following day.
- Employees working late, beyond 9:00 PM, are eligible for a food allowance of Rs. 200 per person, as per company policy.
- Travel allowances will be provided to employees who are required to stay late after their regular working hours, i.e. 9:00 PM, for business-related purposes.

WORKPLACE HEALTH AND SAFETY POLICY

- All employees must participate in safety and health program activities.
- If any signs of sickness, employees must follow the protocol of wearing a mask.
- Employees must be familiar with first aid facilities available in the company building.
- Employees must not interfere with or misuse facilities provided for health and safety

purposes.

- Employees are to follow the fire and emergency procedure incase of hazard.
- Employees must report any violation of the given policy to a supervisor.

LEAVE POLICY

- Employees must submit leave requests to the HR department.
- Leave requests should be submitted with reasonable prior notice, except in cases of emergency or unforeseen circumstances.
- Supervisors or managers will review and approve or deny leave requests based on operational needs, team coverage, and other factors.
- Leaves that are earned by working for specified no. of days every month. These leaves are typically carried forward to the next year, if not used.
- Employees get 1.5 leaves for every month.
- Any additional leaves can be adjusted by the end of year, and only 10 leaves can be carried forward to the next year.
- Sick leave is provided to employees who are unable to perform their duties due to personal illness, injury, or medical appointments.
- Employees must notify their supervisor or manager regarding the same.
- If sick leave extends beyond 1 day, employees may be required to provide medical documentation.
- Personal leave may be granted on a case-by-case basis for reasons not covered by other leave types.
- Personal leave is typically unpaid, and the duration will be determined based on the specific circumstances and the needs of the company.
- A designated developer and project manager will be part of a non-call rotation schedule during holidays.
- The on-call rotation schedule will be determined and communicated by the team lead or department manager.
- At the end of each on-call shift, the developer and project manager on-call must provide a thorough handover to their respective counterparts, ensuring a seamless transition of responsibilities.
- A round-robin system will be implemented for task allocation among developers, with one senior developer overseeing the process.
- During their probationary period or internship, employees and interns are restricted from taking any form of paid or unpaid leave, including but not limited to vacation leave, sick leave, personal leave, and other types of leave specified in the

company's leave policy.

- Exceptions to this policy may be granted in extraordinary circumstances, such as medical emergencies or family emergencies.
- If a probationary employee or intern has pre-existing commitments or obligations that require leave during their probationary period or internship, they must disclose this information prior to the HR department.
